Someone's coming!

Who's it?

A girl?

Why's there a girl in the mansion?!

I remember among 12 people living in the mansion, no one is a girl.

Then this person is...

!!

Angelica!

Why's she here?

Why....

This big house, normally, there would never be people come here to interview

Not only female, even the salesman is nowhere to be seen.

Perhaps...

it's related to Moon Goddess?

Wearing make-up,
and sleeping clothes...

It's very late,
she couldn't sleep so she's
going out for fresh air?

Or...

wants to
meet someone...

Of course,
someone's
there!

What're they talking about?

It's so far away, I can't hear...

So dark...

Who's that person?

Kiss!

Huh?!

落泪

Then...

I saw something I shouldn't see...

Ah, but think about it,

52 GuoMan.Com

Angelica's earring

And Jun's... looks like they're the same.

What's the relationship between them?
